

# CHRISTADELPHIAN BIBLE MISSION

## A COURSE ON MATTHEW'S GOSPEL

### ABOUT THIS COURSE

This course is designed for students who have completed the 40-lesson Bible Postal Course from the Christadelphian Bible Mission. It aims to help you understand more fully the life and work of Jesus Christ by reading and thinking carefully about the Gospel record.

You should already be reading from the Bible daily, perhaps with the help of the Bible Reading Planner or the Bible Companion plan (step 7) which you received as part of the 40-lesson course. Please continue your daily Bible readings as you follow this course on Matthew's Gospel. The more familiar you become with the Bible as a whole, the more you will understand and enjoy the Gospel record.

In this Bible Correspondence Course you should read carefully through each of the chapters in the book of Matthew, and then answer the questions which are set for the chapter. Write your answers on a piece of paper.

Please start the course by giving the following

Your name .....

Your reference number .....

Please do not return the lessons with your answers, keep them for future study

Please send your answers back to your tutor who is:  
.....  
.....  
.....  
.....

You will need your own Bible to follow the course. You will find the answers to most of the questions in the chapter for the lesson. You will also find it very helpful to look back at the 40-lesson course. If there is anything you do not understand, or if you have any other questions, please ask your tutor.

Throughout the course, it is important to remember that the Bible is not just a text-book to be studied. Through its <sup>pages</sup> God calls men and women to turn to Him, to start a new life by being baptized and to serve Him in love and obedience. The best way to hear God's call is to meet the Lord Jesus through the Gospel record. We hope this course will enable you to do that. If you have not already been baptized in the way the Bible commands, we hope the course will help you to consider whether you are ready to take this vital step in obedience to the command of Christ.

### **ABOUT THE CHRISTADELPHIANS**

From the 40-Lesson course (especially lessons 2 and 38) you will already know about the Christadelphians. We are an international community of people from all races, cultures and backgrounds who are united by a common belief in the Bible as the inspired Word of God. We believe in the Old and New Testament promises about the Lord Jesus Christ and the Kingdom of God which Jesus will establish when he returns from heaven.

We try to obey God's commands, but we do not pretend to have any special power or knowledge. Like all other men and women, we need God's love and forgiveness.

The Christadelphian Bible Mission is staffed by unpaid volunteers; our aim is to help people all over the world to understand the message of the Bible and to encourage them to repent and be baptized.
